## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

The information required in compliance of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and forming a part of the Director Report for the Year ended 31st March 2017.

### **OVERVIEW OF THE ECONOMY**

India Remains the world's fastest -growing major economy and looks set for further expansion over the next five years. India grew by appx. 7.5 % in 2016, continuing a 3 years streak of growth of above 7%. some of this strength is due to favorable external environment (like Lower price of Crude oil) with India's current account deficit falling to a seven-year low of \$ 300 million.

The Timely action by the government of demonetization resulted in pumping more money to the banking sector has resulted in appreciation of the rupee value. In spite of lot of challenges faced in the international scenario in terms of trade, the policy changes of many countries India is still in position to retain the stability of the currency. this shows that the economy is becoming stronger and vibrant to take the challenges whatever may come in near future.

A Comprehensive tax reforms would promote inclusive growth. Timely and effectively implementation of the Good and Service tax would support competitiveness, Investment and economic growth. Government' plant to reduce the corporate income tax and broaden the base will serve the same objectives. These two ongoing reforms have been designed to be revenue neutral while India needs to raise additional tax revenue to meet social and physical infrastructure needs.

### **INDUSTRIAL STRUCTURE AND DEVELOPMENTS:**

The company is manufacturing various compounds of Power cable, Telephone cable and Engineering Plastics. The company has tried to enhance the production area by starting the production of Colored Master batches.

### **OPERATION AND THREATS**

The raw Material price which mainly depends on exchange rate, petroleum Prices and frequent fluctuation affected the probability. Company has discontinued the Production of ST and LT cable due to cut off through competition. And the Company optimizes its full capacity into PP and other Compounds. Company has also started the production of colored master batches.

### **RISK IDENTIFICATION, RISK MITIGATION AND INTERNAL CONTROLS**

The Company is manufacturing various Compound of Power Cable, Telephone Cable and Engineering Plastics. Its presence in these segments exposes it to various risks which are explained below:

#### **RISK OF COMPETITION AND PRICE PRESSURE**

The risk of competition from existing players as well as from new entrants remains high. However, the Company's strength in the market place, coupled with its continuous thrust on improving quality of its products and offering newer products in the Master Batch segment.

The Company supplies Various Compound both on National and International Market. Both Market have their own nuances in terms of customer expectations, competition and pricing. However, the company is well focused on increasing its share in all segments through sound marketing strategy and a balanced approach.

#### **RISK OF FOREX RATE FLUCTUATION AND POLITICAL RISK**

Foreign Currency rate are always fluctuating due to changes in various types of market scenario. The adverse growth of Currency may affect the earning of the Company because the Revenue of the Company is coming mostly from Export Market.

To minimize these types of Risks the company has taken various types of Forex facilities like Packing credit, Forward Contract, ECGC policies etc.

Further the Company exports its products mostly in South African countries where Government policies impact a significant influence of their market and the company keeps to close watch on any change occurred.

#### **RISK OF FLUCTUATIONS IN PRICES OF KEY INPUTS**

Prices of the key ingredients used in the products manufactured and marketed by the Company remain volatile due to several market factors, including changes in government policies and fluctuations in the foreign exchange rates and the Speculators. However, the Company keeps a close watch on the prices, wherever feasible, to minimize the risk of fluctuations in the input prices.

#### **RISK MANAGEMENT AND INTERNAL CONTROL SYSTEM**

The Company has established a well-defined process of risk management, wherein the identification, analysis and assessment of the various risks, measuring of the probable impact of such risks, formulation of risk mitigation strategy

and implementation of the same takes place in a structured manner. Though the various risks associated with the business cannot be eliminated completely, all efforts are made to minimize the impact of such risks on the operations of the Company. Necessary internal control systems are also put in place by the Company on various activities across the board to ensure that business operations are directed towards attaining the stated organizational objectives with optimum utilization of the resources. Apart from these internal control procedures, a well-defined and established system of internal audit is in operation to independently review and strengthen these control measures, which is carried out by a reputed firm of Chartered Accountants. The Audit Committee of the Company regularly reviews the reports of the internal auditors and recommends actions for further improvement of the internal controls.

**INDUSTRIAL RELATIONS AND HUMAN RESOURCE DEVELOPMENT**

**ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE  
FINANCIAL STATEMENTS OF POLYLINK POLYMERS (INDIA) LIMITED**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Polylink Polymers (India) Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to Obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of

## Polylink Polymers (India) Limited

collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial Controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India"

**1. Corporate information**

Polylink Polymers (India) Limited (the Company) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. It's shares are listed on Bombay Stock Exchange Limited.

The Company is leading manufacturer of various compounds for Power cable, Telephone cable and Engineering Plastics.

**2. Statement of Significant Accounting Policies**

**A. Basis of Preparation & Presentation of Financial Statements**

The accounts of the Company are prepared under the historical cost convention on the accrual basis of accounting in accordance with the accounting principles generally accepted in India (“GAAP”) and comply with the Accounting Standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, the other relevant provisions of the Companies Act, 2013 pronouncements of the Institute of Chartered Accountants of India, and the guidelines issued by the Securities and Exchange Board of India (“SEBI”), to the extent applicable. The Financial Statements are presented as per Schedule III to the Companies Act, 2013 and in Indian rupees rounded off to the nearest Lakhs.

**Use of estimates**

The preparation of financial statements in conformity with GAAP requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities, the disclosure of contingent liabilities at the date of financial statements and the results of operations during the reporting periods. Examples of such estimate include future obligations under employee benefit plans, income taxes, useful lives of tangible assets and intangible assets, impairment of assets, valuation of derivatives, provision for doubtful debts, etc. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could vary from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Appropriate changes in estimates are made as the management becomes aware of the changes in circumstances surrounding the estimates. Any revision to accounting estimates is recognized prospectively in current and future periods. Effect of material changes is disclosed in the notes to the financial statements.

**Current-non-current classification**

All assets and liabilities are classified into current and non-current.

**Assets**

An asset is classified as current when it satisfies any of the following criteria:

- a. it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. it is expected to be realized within 12 months after the reporting date; or
- d. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

**Liabilities**

A liability is classified as current when it satisfies any of the following criteria:

- a. it is expected to be settled in the Company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is due to be settled within 12 months after the reporting date; or
- d. the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result on its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

**Operating Cycle**

Operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

**B. Property ,Plants & Equipments**

With effect from the Current Year (FY 2016-17), pursuant to the amendment in AS-10, Property , Plant and Equipments & Spare Parts having life more than twelve months are capitalized at their respective carrying amount with the main asset and are being depreciated over remaining life of the main asset prospectively.

**C. Depreciation and Amortization**

Pursuant to the Companies Act 2013, the company has provided depreciation on the Fixed Assets on basis of useful Life specified in Part " C" of the Schedule II of the Act, read with Notification dated 29.08.2014, of the Ministry of the Company Affairs

**D. Valuation of Inventories**

Inventories are valued at lower of cost or net realizable value except scrap, which is valued at net estimated realizable value.

The methods of determining cost of various categories of inventories are as follows:

Raw materials	at lower of cost or estimated net realisable value (FIFO Basis)
Work-in-progress	at cost arrived by estimating percentage of completion.Variable Cost including an appropriate share of variable and fixed production overheads.
Finished goods (traded)	at lower of cost or net realisable value
Stores & spares and others	At Cost (FIFO Basis)
Packing materials	At Cost (FIFO Basis)
Goods-in-transit	Cost of Purchase

Cost includes all direct costs, cost of conversion and appropriate portion of variable and fixed production overheads and such other costs incurred as to bring the inventory to its present location and condition inclusive of excise duty wherever applicable.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion/reprocessing and the estimated cost necessary to make the sale.

**E. Foreign Currency Transactions and Translations**

- a) **Initial Recognition:** Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on/or closely approximating to the date of the transaction.
- b) **Conversion:** Foreign currency monetary items, if any are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.
- c) **Exchange Difference:** Exchange differences arising on the settlement of monetary items, if any or on reporting such monetary items of the Company at rates different from those at which they were initially recorded during the year or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

**F. Research & Development (R & D)**

Revenue expenses on Research and Development are charged to Profit and Loss Account and capital expenditure on R & D is added to Fixed Assets.

**G. CONTINGENT LIABILITIES**

Contingent liabilities are generally not provided for in the accounts and are shown separately in notes to the Accounts.

**H. Revenue Recognition**

Revenue from sale of products is recognized when the significant risks and rewards of ownership of the products are transferred to the buyer, recovery of the consideration is reasonably assured and the amount of revenue can be measured reliably. Revenues include excise duty and are shown net of sales tax, value added tax and discounts, if any.

Export incentives/ benefits are accounted for on accrual basis based upon estimated benefits which accrue to the company as per DGFT scheme.

**I. GOVERNMENT GRANTS**

Government grants/subsidy in relation to the project and not related to any fixed assets are credited to Capital Reserve.

**J. Employee Benefits**

All employee benefits falling due wholly within twelve months of rendering the services are classified as short-term employee benefits, which include benefits like salaries, wages etc. and are recognized as expenses in the period in which the employee renders the related service and measured accordingly.

- **Gratuity**

Gratuity liability as per Gratuity Act. has been provided for all the eligible employees on the basis of actuarial valuation are funded with LIC under Group Gratuity Scheme.

- **Leave Encashment**

Leave encashment benefit is accounted for on basis of estimated liability at the year end and not on the actuarial valuation basis in view of the fact that it will not materially affect in terms of total amount.

- **Provident Fund**

Employer's contribution to Employee's provident fund is accounted for on accrual basis and charged to the Statement of Profit and Loss .

**K. EXCISE DUTY**

Excise Duty payable on the closing stock, awaiting removal, has been accounted for and added to the value of closing stock.

**L. Income Tax**

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

**Current Tax**

Current tax expenses is based on the provisions of Income Tax Act, 1961 and judicial interpretations thereof as at the Balance Sheet date and takes into consideration various deductions and exemptions to which the Company is entitled to as well as the reliance placed by the Company on the legal advices received by it. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

**Deferred Tax**

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the current year and reversal of timing differences for earlier years. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed at each Balance Sheet date and are written-down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized. Deferred tax assets and deferred tax liabilities are offsets when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing tax laws.

**Minimum Alternate Tax**

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset in accordance with the recommendation contained in the Guidance Note on "Accounting for Credit Available in respect of Minimum Alternative Tax under The Income Tax Act, 1961" issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each Balance Sheet date and

writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

**M. Impairment of Fixed Assets**

The Company assesses at each Balance Sheet date whether there is any indication that an asset/cash generating unit may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset/cash generating unit. If such recoverable amount of the asset or the recoverable amount of the cash generating unit is less than the carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss.

**N. Provisions, Contingent Liabilities and Contingent Assets**

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed in respect of possible obligations that may arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent Assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the assets and related income are recognized in the period in which the change occurs.

**O. LEASE**

**i) FINANCE LEASES**

In respect of assets acquired on or after 1st April, 2001, under finance lease the same are capitalised at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term. Lease payments are apportioned between the interest charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Interest component is charged to the Profit and Loss Account.

**ii) OPERATING LEASE**

The revenue for operating lease is recognised in terms of the agreement.

**P. Earnings Per Share**

The basic earnings per share is calculated by dividing the net profit after tax for the year by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit after tax during the year and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.
